UK COFFEE WEEK™

PROJECT WATER FALL

For every sale we make, 50p will be going to Project Waterfall, developed by the Allegra Foundation

(registered charity 1133540).

Since 2011, Project Waterfall has raised over £800,000 and delivered clean drinking water to over 27,000 people in Ethiopia, Kenya, Uganda, Tanzania, Rwanda, Vietnam and Nicaragua.

This year they are teaming up with WaterAid to help up to 7,000 people in Ethiopia, the cultural home of coffee. Only 39% of the population have access to basic safe water and just 7% have access to basic sanitation.
