Our Venue

The original 250-year-old barn has been lovingly restored using old oak beams, many of which were salvaged from the great wooden ships of Nelsons Day. The restaurant boasts traditional oak floors, old Sussex Sandstone, several authentic wagon wheels, chandeliers, an inglenook fireplace plus an upstairs oak Gallery where diners can overlook the restaurant.

Our inglenook bar, sofas & lounging areas create a relaxing, cosy environment. During the summer months, our sun trapped Courtyard is perfect to be enjoyed alongside the foliage and water features. With tables, chairs & parasols, it is the perfect place to relax. Our front terrace has a beautiful view of the putting green, where we can serve arrival drinks for you & your guests.

Testimonies

"Faria & I would like to thank you all for making our wedding day so perfect. The venue looked amazing but even more so, we were so pleased with how smoothly the day was managed and how friendly and efficient all the staff were. We have had so many compliments on the food, and I loved my veggie Halloumi Salads—so compliments to the chef. Thanks again, we are so happy we chose the Oak Barn as our wedding reception venue."

"Thank you all for your hard work you showed in making our daughter's wedding reception at the Oak Barn so special. The whole place looked lovely and the seating for so many people was very thoughtfully arranged. The food was enjoyed by all, and we received many comments. The whole day went like clockwork, even the weather was perfect."
